Lucky Guy

Kim Wilde

Some people don't seem real at all Unafraid of any mountain Sure that the gods won't let him fall Should he fall, he will always get up again

And if he's hurt he never shows it
If he's wrong nobody knows it
Seems like he never has to try
He just must be a lucky guy

And when there's pain he never minds it When it's lost he always finds it Nobody really knows just why He just must be a lucky guy He just must be a lucky guy I wish I was that lucky guy
