Always the sound in my brain. Can you hear it? (Can you hear it?)

Ami C G D
R: Water on glass running down again.

Ami C G D
Water on glass, that sound.

Ami C G D
Water on glass running round again.

F G

Help me, the sound of running water's coming down.

2. Dancing away like the lights on a moving coloured river.
Sounds in my head seem to run and again I'm feeling shiver.
