I'm rising up
Sometimes I want to get away
And from the moment I met you
I'm ready to fade
I'm ready for a brighter day
Like a castaway, sometimes I feel so separated
But I can never forget you
The emotion's fine
Yeah, you shine a little light of me
Send me your love again
'Cause you're my miracle
Yeah, can't describe but I'll leave it in a
Miracle, Miracle
[?]
Send me your love again
'Cause you're my miracle
I'm rising up
Sometimes I feel so far away
But it's like [?]
I'm ready to [?]
I'm ready for a brighter day
Now I flash away
Your love is like a [?]
We're dividing the fiction
[?]
What's happening inside of me
Send me your love again
'Cause you're my miracle
Yeah, can't describe but I'll leave it in a
Miracle, Miracle
[?]
Send me your love again
'Cause you're my miracle
You got me with my hands up
Got me seeing visions of love
Yeah you got me with my hands above my head
And every thought I can't believe it again
Send me your love again
'Cause you're my miracle
Yeah, can't describe but I'll leave it in a
Miracle, Miracle
