## The Build Up

Kimbra

Am
Went from cities to touch the suburbs  T  Dm
On the highway, but I'm barefoot Am
I need a map but not the destination  T  T  T  T  T  T  T  T  T  T  T  T  T
Need a compass, but not a conversation
Am F
I want to run far from this grey town <b>Dm</b>
You're on every street, marked on the ground  Am  F
Not the meant and not the paint  Dm
Want the price but not the raise
Am
I want the jump but not the height  T  T  T  T  T  T  T  T  T  T  T  T  T
Let me fall but catch me mid flight  Am F
I swam with sharks and beasts of the sea  Dm
Only went down for the company Am F
Went down for the company
I forgot to mention
2
That you would come back home when I call
Left no sign, nothing at all Am
Sorry you won't fit inside my heart
<b>P</b> I wanted love without the build up
Am F
I need the rules but not the regulations  Dm
Want the wisdom but not the information  Am
Need the light but not the heat of the day  Dm
Need your hands to show me how to pray
Am F
I lost the plot underneath the fire <b>Dm</b>
Of all the dots and lines that took me higher ${f Am}$
Away from traffic and smiles of tire  Dm

I like the nights but not the tangled wires

Am F

Need the pulse to feel alive

Dm

All the world's just made it seem all quiet

Am

This has all become far too loud

Dm

I like you more when you don't make a sound

C

You will come back home when I call

G

Left no sign, nothing at all

Am

Sorry you won't fit inside my heart

I

Won't you come light the way and wash this away

Am F Dm Am

I wanted love without the build up
