F#m Α Now I can't spend a minute C#m7 Now I can't steal the time A I've lost all my friends like money C#m7 I've lost all my men to the sky Can't keep your loving from my mind C#m7 It's worth more than gold, crystals and pride Ready to shake these stars from me B F#m But I can't withdraw your heart from mine No, I can't withdraw your heart from mine B Em No, I can't withdraw your heart from mine Em Em7 Am (4x)Asus4 I never knew what your love could do Asus4 Em I blew it all away Em Asus4 Thought I could satisfy the yearning of my Heart shaped hole on hold for you Never learned to hold on I hold too tight and have to let go But there's no love, no love, G F Esus4 E There's nothing to take your place Α Now I can't spend a minute Now I can't steal the time A I've lost all my friends like money C#m7 I've lost all my men to the sky Α I can't keep your loving from my mind

C#m7
It's worth more than gold, crystals and pride

F#m

A B F#m

Oh, I can't withdraw your heart from mine

A B F#m

You're the one thing that sticks right onto my side

A B F#m

No, I can't withdraw your heart from mine

How'd I get so stuck, so stuck to your side?

A B F#m

You're the one thing that sticks, right into  $\ensuremath{\mathsf{my}}$  side

A B F#m
I can't withdraw your heart from mine.

A B F#m
