

Can't Help Falling In Love

Kina Grannis

Wise men say, only fools rush in
But I can't help falling in love with you

Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows, Gently to the sea
Darlin so we go, somethings were meant to be
So take my hand, take my whole life too
Fore I can't help fallin in love with you

Like a river flows, Gently to the sea
Darlin so we know, somethings were meant to be
So take my hand, take my whole life too
Fore I can't help fallin in love with you
Fore I can't help fallin in love with you
