King Charles

She said  
She said  
She said  
I will never be your queen, ah

Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam

A girl who is his  
but your beautiful daughter  
she may be the cure  
but for now she's the torture

Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam

A girl who is his  
but your beautiful daughter  
she may be the cure  
but for now she's the torture

Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam

She said  
She said  
She said  
I will never be your queen, ah

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air

Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam

In the middle of the night  
When we out on our own  
The street lights tail lights moon lights and disco  
In the middle of the night  
She said maybe  
middle of the night  
if it isn't a date though

Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam Bam

In the middle of the night  
She's dancing with me  
Love lies  
(something, something)  
As clumsy as ivory  
I throw her, spin her  
Soaked to the skin

Now, I don't know what I see in her  
She doesn't see in me

She said  
She said  
She said  
I will never be your queen, ah

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air

She keeps me warm in the cold night  
Warm in the cold night  
Warm in the cold night air
