

You Are Could I

King Creosote

I could be fun, I could be glum
I could be long, I could be submissive
I could be wrong

I could be foul, I could be loud
I could be proud, I could be insistant
I could become

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

I could be tall, I could be small
I could be high, I could be delighted
I could be wrong

I could be clean, I could be mean
I could be seen, I could be delinquent
I could become

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean

Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek

Are you there, are you square
Are you fair, are you bare
Do you snore, do you bore
Do your chores, do you court
Are you free, are you mean
Are you grease, are your knees
Do you bleed, do you need
Do you speak, do you shriek
