

Cellophane

King Gizzard & The Lizard Wizard

Do do do do...

You can watch your movies in 3D
It's so strange

With cellophane, cellophane
Cellophane, cellophane
Cellophane, cellophane
Cellophane, oh
Do do do do...

You can colour everything you see
It's so strange

With cellophane, cellophane
Cellophane, cellophane
Cellophane, cellophane
Cellophane, oh
Do do do do...

You can watch your movies in 3D
It's so strange

With cellophane, cellophane
Cellophane, cellophane
Cellophane, cellophane
Cellophane, oh
Do do do do...
