

East West Link

King Gizzard & The Lizard Wizard

All the highways: like terminal airways
All the highways: like sapien DNA

We can build a road
We can cut a tree
We can shoot a bird
Nobody will see

All the highways: like terminal airways
All the highways: like sapien DNA

Never ever wanna be on the other side of karma for digging unde
rworld
Never wanna get up
Never wanna get out of bed when I live in this world

Woo!

Woo!

We can kill the worms
Underneath the trees
We can tunnel in
Nobody will see

All the highways: like terminal airways
All the highways: like sapien DNA

Never ever wanna be on the other side of karma for digging unde
rworld
Never wanna get up
Never wanna get out of bed when I live in this world
