

God Is Calling Me Back Home

King Gizzard & The Lizard Wizard

Well meet me at the house on the top of the hill
I've got two important people that I'm ready to kill

Well I'll just flunk or fail so give me something better to do
Well I'll just flunk or fail so give me something better to do

Well, Santa's on the roof, with his presents and sack
He's got one hand with a blade and the other's an axe

Well I'll just flunk or fail so give me something better to do
Well I'll just flunk or fail so give me something better to do

Then I hear God call, and all my hate is gone
I hear Him calling me back home!

Oh, I hear God call, and now my hate is gone
I heard Him calling me back home!
Calling me back home, calling me back home
Calling me back home, calling me, back home!
God!

Well, God is calling me back home...
Is calling me back home, is calling me back home
Calling me, back home!

Well, God is calling me back home
Is calling me back home, is calling me back home
Is calling me back home, is calling me back home
Is calling me back home, is calling me back home
Is calling me back home, is calling me back home
Is calling me back home (Is calling me back home)
Is calling me back home (Is calling me back home)
Is calling me back home (Is calling me back home)
Is calling me back home (Is calling me back home)
Is calling me back home (Is calling me back home)
Is calling me back home (Is calling me back home)
Is calling me back home
Is calling me, back home!
