

Hot Water

King Gizzard & The Lizard Wizard

Water, hot water
Hot water, hot water...

Eat up, vomit
Date line, repay
System, failure
Wish for old way
Straighten, bend it
Decline, spend it
Believe, sceptic
Everybody's standing in

Hot water, hot water...

Sheet of paper
Mountain raper
Moment silence
I am spineless
Echoes, ending
Whispers, trending
Heat is coming
Everybody's stranded in

Hot water, hot water...
