

## Hot Wax

### King Gizzard & The Lizard Wizard

Hot wax crawling under the door  
Hot wax crawling under the floor  
Hot wax creeping under the hill  
Hot wax creeping under the sill

Hot wax, come on get her  
Now everybody's learning  
Now come on a safari with me  
Hot wax, hot wax  
Hot wax, hot wax

Hot wax creeping under the scene  
Hot wax dripping under the fiend  
Hot wax leaking under the sink  
Hot wax leaking under the drain  
Hot wax coming under the Lord  
Hot wax coming under the door  
Hot wax coming into the brain  
Hot wax coming into the maze

Hot wax, come on get her  
Now everybody's learning  
Now come on a safari with me  
Hot wax, hot wax  
Hot wax, hot wax  
Hot wax, come on get her  
Now everybody's learning  
Now come on a safari with me  
Hot wax, hot wax  
Hot wax, hot wax

Hot wax dripping under the scene  
Hot wax dripping under the fiend  
Hot wax leaking under the sink  
Hot wax leaking under the drain  
Hot wax rising from beneath  
Hot wax rising from the leaves  
Hot wax rising under my bed  
Hot wax running up my legs

Hot wax, hot wax  
Hot wax, hot wax  
Hot wax, hot wax  
Hot wax, hot wax  
Hot wax, hot wax
