

Infinite Rise

King Gizzard & The Lizard Wizard

Set straight
Vibrate
Need a hug
Coffee mug
Minor flop
Don't stop

What's more?
What's it for right now?

Days drop
Hearts stop
Days we've traveled
And hearts unraveled
Heart attack
Hear me back
Pig sty
Don't cry

Cat's eyes
Capsize
Making time
Lifeline
Limelight
No right

What's more?
What's it for right now?

Nice light
Sunrise
Bound together
Like boys in leather
Raisin bread
Wreck the head
Crack pipe
Red light

Satan
Is hatin'
Days old
Bread mould
Jesus
Kills us
Exalt
My fault

Daylight
Insight
Free roam
Go home
Bell tollin'
Hell holin'

What's more?
What's it for right now?

Free style
Meanwhile
White wash
Kibosh
Stranger
Danger
Lightning
Frightening

Sell soul
Keep whole
Make some money
Eat some honey
Make friend
Keep them

What's more?
What's it for right now?

Loose mind
Kook time
Getting better
Wearing sweater
High brow
Cash cow
Infinite
Rise now

Fats game
Right as rain
Tinned spaghetti
Is good for brekky
Day bed
Rest head
Brown moth
Red sloth

Look smart
Make art
Golden dragon
Subway taggin'
Go nuts
Make fuss

What's more?
What's it for right now?

Car pool
People
Oars and paddles
Horse and saddles
You're gone
So long
Day's great
Go play

Playwright
Blindside
Before
Bedsore
Deep grill
Sit still
I'll cook

A big chook
