

## Lonely Steel Sheet Flyer

King Gizzard & The Lizard Wizard

Lover you will be stolen from us at the dawn  
Lover you will be stolen from us in the morn  
Lover conceal me, all of my body, I won't go  
Lover you will be stolen from us at the dawn

Lover its all me wrapped in a steel sheet flyer  
Look in the sky see, inside a jet stream goodbye  
Caught in a wind beam, out in the sky stream, mornin'  
Lover it's all me, a lonely steel sheet flyer

My lonely wings are ready for flight  
The ocean is breathing between you and I  
My lonely wings don't make it right  
Wrapped in a steel sheet and ready to fly

Lover believe me it won't be easy when I'm gone  
Blinder I will be, dead and awake see, I'll mourn  
Lover believe me, it's not the TV, it's more  
Lover believe me, it won't be easy when I'm gone

Lover I'm lonely, wrapped in a steel sheet flyer  
Hungry and thirsty, feeling the worst here and tired  
My head is dusty, my nose is crusty, this flight  
Lover I'm lonely, a lonely steel sheet flyer

Lover I'm lonely, wrapped in a steel sheet flyer  
Hungry and thirsty, feeling the worst here and tired  
My head is dusty, my nose is crusty, this flight  
Lover I'm lonely, a lonely steel sheet flyer

My lonely wings are ready for flight  
The ocean is breathing between you and I  
My lonely wings don't make it right  
Wrapped in a steel sheet and ready to fly
