

## N.G.R.I. (Bloodstain)

King Gizzard & The Lizard Wizard

Everyone thinks I am shallow  
When I'm hiding in my room  
Safe within my zone  
All the demons that I summon  
Wipe the blood off of the floor  
It's my only law

Sorry!  
Whoo!

N, G  
R, I  
Mundane  
Bloodstain  
NGRI, in my brain  
Keep a clean  
Bloodstain  
Bloodstain  
Bloodstain  
Bloodstain

I've awoken from my slumber  
I was dreamin' 'bout a flood  
Covered in my blood  
Now my pits are getting sweaty  
It's a sign I've got to go  
Back to where I know

Sorry!  
Whoo!  
Suffer endlessly  
Suffer endlessly  
Forever giving in to

N, G  
R, I  
Mundane  
Bloodstain  
NGRI, it's plain  
Wipe it up  
Bloodstain  
N, G  
R, I  
Mundane  
Bloodstain  
NGRI, in my brain  
Sweep a clean  
Bloodstain
