

Paper Mâché Dream Balloon

King Gizzard & The Lizard Wizard

Stuck in a daydream
Under a moonbeam
Head on my pillow at home
Drunk are the people
Outside my window
Full of testosterone

When I get trouble my way
Like paper mâché
They stick to chimera balloon
And I kick it out my door

Paper Mâché
Dream Balloon!

Are you eluding
That I am brooding
Moping around on my own
Stuck in a daydream
Under a moonbeam
Head on my pillow at home

When I get trouble my way
Like paper mâché
They stick to chimera balloon
And I hide it in my drawer

Paper Mâché
Dream Balloon
Paper Mâché
Dream Balloon

When I get trouble my way
Like paper mâché
I stick them to a dream balloon
And I kick it out my door
And I hide it in my drawer
