

## People-Vultures

King Gizzard & The Lizard Wizard

People-vultures  
God approaches  
Final hearing  
What else have I got left to spew down?

People-vultures waiting to begin  
Deadly ulcers feeding on my skin

People-vultures waiting by my stage  
Wild dogs escaping from their cage

People-vultures  
God approaches  
Final hearing  
What else have I got left to spew down?

People-vultures  
God approaches  
Final hearing  
Disappearing  
Tainted voodoo  
Headless guru  
Final head-spin  
What else have I got left to spew down?

What else have I got left to spew down?  
What else have I got left to spew down?  
What else have I got left to spew down?  
What else have I got left to spew down?

People-vultures crowding at my door  
Parasites are eating more and more
