

Slow Jam 1

King Gizzard & The Lizard Wizard

I need to slow my mind down low
I need to slow my mind down low
I need to slow my mind down low

And when it feels like coming on
Boy it makes it hard to talk
For me, for me

I need to slow my mind down low
I need to slow my mind down low

And when it feels like coming on
Boy it makes it hard to talk
For me, for me
