King Gizzard & The Lizard Wizard

God gave me a sign  
He put it in my glass of wine  
A great theophany  
He told me every sinner had to die  
[?]  
And telepaths [?]  
We are the sacrifice  
Like it or not  
I live by the book

These aren't fables  
Between pages  
My book's ageless  
And it's pageless  
The book

The book

God gave me a knife  
And wrote seppuku underlined  
Godly suicide  
He told me everyone will die  
So judge me by the page  
But [?] not by my cover  
[?] with age  
Like it or not  
I live by the book

These aren't fables  
Between pages  
My book's ageless  
And it's pageless
