

## Ya Love

King Gizzard & The Lizard Wizard

Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love

I can't wait to be underneath ya spell  
I can't wait to spin the carousel  
I can't wait for ya to sweep us up  
I just can't wait to feel ya love

Ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love

Ya love is just a state of mind in mine  
Are we here? Don't know, but I don't mind

I can't wait to go to some place with ya  
I can't wait to go on adventures  
I can't wait for us to pick ya up  
I just can't wait to feel ya love

Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love  
Ya love, ya love, ya love, ya love

Ya love is like a dream inside a dream  
Relax, close your eyes and be with me

I can't wait to be underneath ya spell  
I can't wait to spin the carousel  
I can't wait for ya to sweep us up  
I just can't wait to feel
