

# If You Think It's Love

King Princess

If this is love  
I want my money back  
'Cause I could use a check  
To spend it on a better heart  
To wear upon my sleeve  
And it might take a sec  
My worlds become a mess  
I'm second guessing all the things I used to want to be

So if you think it's love, it is  
And if you think it's trust, it is  
And if you think it's love, it is  
It is

If you want trust  
I'll need my conscience back  
She got so out of whack  
My broken back has carried all the weight I thought I'd need  
And it might take a sec  
My worlds been changing fast  
The normal things I never thought I'd miss are obsolete

So if you think it's love, it is  
And if you think it's trust, it is  
And if you think it's love, it is  
It is

And if you think it's love, it is  
And if you think it's trust, it is  
And if you think it's love, it is  
And if you think it's trust, it is  
And if you think it's love, it is  
And if you think it's trust, it is  
(And if you think it's love, it is)  
(And if you think it's trust, it is)  
And if you think it's love, it is  
(And if you think it's trust, it is)  
And if you think it's love, it is  
And if you think it's trust, it is  
(Yeah)
