

## Molly's Chambers

Kings of Leon

Free- is all that she could bleed  
That's why'll she'll never stay  
White- bare naked in the night  
Just lookin' for some play  
Just another girl that wants to rule the world  
Any time or place  
And when she gets into your head  
You know she's there to stay

You want it  
She's got it  
Molly's Chambers gonna change your mind  
She's got your  
Your pistol

Slow- She's burnin' in your soul  
With whispers in your ear  
It's okay I'll give it anyway  
Just get me out of here  
You'll plead- you'll get down on your knees  
For just another taste  
And when you think she's let you in  
That's when she fades away

You want it  
She's got it  
Molly's Chambers gonna change your mind  
She's got your  
Your pistol
