

It's Rainin'

Kirk Franklin

Send it on down
Send it down
Send the rain down
(3x)

We need to feel some holy drops from you (send it on down)
Lord we are willing to go through and through (send it on down)
Shower down a blessing on your people (send it on down)
Lord we need you to shower down a blessing on us. (send it on down)

Send it on down
Send it down
Send the rain down

We need to feel some holy drops from you (send it on down)
Lord we are willing to go through and through (send it on down)
Shower down a blessing on your people (send it on down)
Lord we need you to shower down a blessing on us. (send it on down)

We're waiting here for a blessing
Let it fall down on me
We need to feel your anointing
Let it fall fresh on me.

It's raining
It's raining
It's raining
