

# Love

Kirk Franklin

Patient love, kind love, sweet love, kind love (5x)

Love a word that comes and goes  
But few people really know  
What it means to really love somebody  
Love though your tears fade away  
I'm glad your love will stay  
Cause I love you  
And you showed me Jesus  
What it really means to love...

Patient love, kind love, sweet love, kind love (2x)

Love a word that comes and goes  
But few people really know  
What it means to really love somebody  
Love though your tears fade away  
I'm glad your love will stay  
Cause I love you  
And you showed me Jesus  
What it really means to love...

The nights that I cried you loved me  
When I should've died you loved me  
I'll never know why you loved me  
It's a mystery to me and now I'm glad to  
See Jesus

When all hope was gone you loved me  
You gave me a song cause you love me  
Now I can go on cause you loved me  
It's a mystery to me and now I'm glad to  
See Jesus

What it really means (2x)  
What it really means to love  
To love  
(to love) patience, patience, kind that's  
Love (4x)  
Hum the words (2x)  
(to love) patience, patience, kind  
That's love (2x)
