

When I Think About Jesus

Kirk Franklin

When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could dance, dance,
Dance, dance all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could dance, dance,
Dance, dance all night

When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could leap, leap,
Leap, leap all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could leap, leap,
Leap, leap all night

When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could spin, spin,
Spin, spin all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could spin, spin,
Spin, spin all night

When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could shout, shout,
Shout, shout all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could shout, shout,
Shout, shout all night

When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could shout, shout,

Shout, shout all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could shout, shout,
Shout, shout all night
When I think about Jesus
What He's done for me
When I think about Jesus
How he set me free
I could shout, shout,
Shout, shout all night
