

100,000 Years

Kiss

I'm sorry to have taken so long
It must have been a bitch while I was gone
You mind if I sit down for a while
You'll reacquaint yourself with my style

Well, how could you have waited so long
It must have been a bitch while I was gone
All this time you put up a fear
For a hundred thousand years

I'm sorry to have taken so long
It must have been a bitch while I was gone
All this time you put up a fear
For a hundred thousand years

And baby won't you let me
I think I'm goin' out of my head
I'm just about to, ooh yeah, ha

I'm sorry to have taken so long
It must have been a bitch while I was gone
You mind if I sit down for a while, would you babe
You'll reacquaint yourself with my style
