```
G Ami Hmi C D
Tried to say I'm sorry
Didn't mean to break your heart
And find you waitin'up by the light of day
There's a lot I want to tell you
But I don't know where to start
And I don't know what I'd do if you walked away
Ami
                       D Ami
Ohh, baby I tried to make it
I just got lost along the way
                  G Ami Hmi C D
R: But everytime I look at you
  No matter what I'm going thru
   G AmiHmiC D
  It's easy to see
  And everytime I hold you
   The things I never told you
       Ami Hmi C D
  Seem to come easily
   'Cause you're everything to me
I never really wanted
To let you get inside my heart
I wanted to believe this would soon be ending
I thought it wouldn't matter
If it all just came apart
But, now I realized I was just pretending
Ooh, baby, I know I hurt you
But you can still believe in me
R: But everytime...
  Es
It's gonna take a little tiime to show you
                   F C
Just what you mean to me, oh yeah
It seems the more I get to know you
                  F C D
The more I need to make you see, you're everything
          GCGCGCGC
I need, yeah
```
