

Rock and Roll All Nite

Kiss

You show us everything you've got
You keep on dancing and the room gets hot
You drive us wild, we'll drive you crazy

You say you wanna go for a spin
The party's just begun, we'll let you in
You drive us wild, we'll drive you crazy

You keep on shouting, you keep on shouting

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day

You keep on saying you'll be mine for a while
You're looking fancy and I like your style
You drive us wild, we'll drive you crazy

You show us everything you've got
Baby, baby that's quite a lot
And you drive us wild, we'll drive you crazy

You keep on shouting, you keep on shouting

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day

You keep on shouting, you keep on shouting

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll
