Cincinnati Ohio

Kitty Wells

One more hour and I'll be home Close my eyes and rest my bones Can't be more than a mile or so From Cincinnati, Ohio, Cincinnati, Ohio.

Cincinnati where the river winds Cross the Mason and the Dixie Line Heaven waits for me I know In Cincinnati, Ohio, Cincinnati, Ohio.

I guess perhaps the memories got too strong Grabbed me by the heart strings and pulled me home I got to thinkin' 'bout some friends I know In Cincinnati, Ohio, Cincinnati, Ohio.

(Cincinnati, Ohio, Cincinnati, Ohio.)

I walked half way from Lewieville Now there she lies at the foot of the hill Shining like a jewel in the valley below Cincinnati, Ohio, Cincinnati, Ohio.

Cincinnati where the river winds Cross the Mason and the Dixie Line Heaven waits for me I know In Cincinnati, Ohio, Cincinnati, Ohio.
