

I Heard My Saviour Call

Kitty Wells

I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call

I was a sinner traveling on a weary road
So far from home
But now sweet heaven is my all
Praise out, I heard my Saviour call

I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call

I'm on my way to better land
And there I'll join that heavenly band
All through the ages I will sing
"Hosanna is my heavenly King"

I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call
