Touch And Go Heart

Kitty Wells

Touch and go that's how your love is first you're mine and then we're apart

Even though I know what your game is I still cling to your touch and go heart

You only want my company when you are feeling blue Just when I think you care a little there's someone new Though I know how hopeless my chance is I'm just a slave for your touch and go heart

Touch and go that's how...
