

# Gimme That Chicken

KJ-52

Dear Lord  
Bless Chick-Fil-A  
And its perfect, deep-fried, golden brown chicken  
May it always be amazing  
(Yah, yah, yah)

I'm 'bout to roll in quick  
I'm 'bout to get my fix  
'Sup with these kids?  
Why they all up on my hip?  
I got the sauce that drips  
How much can I get?  
I'ma put it all on my lips  
Dang, it's all on my kicks  
When I'm walking  
By I want a waffle fry  
I'm not a whopper guy  
No awkward eye  
No awkward guy  
I'm just saying hi ('sup)  
When I run inside  
When I get in line  
I want a number 5  
Gimme two shakes there and a cow hat  
Put it all on the side

I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken  
I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken

I'm on fair fax  
With my air max  
And my hair back  
I ain't even scared yet (nah)  
I'ma head right there back  
I'm walking in real fast  
What y'all staring at?  
I'm kicking all the chairs back  
Screaming "Gimme that chicken, where it at?"  
Get a pen and pad  
I ain't getting mad  
I'm getting in my bag  
What I fittin' to grab  
Is Polynesian sauce in a big old slab  
I ain't care the cost  
I'll take it all right there  
If that's all you have  
"Sir it would be my absolute honor to serve you..."  
Bring it out real fast

I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken  
I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken

I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken  
I want chicken  
Gimme dat chicken  
Deep fry that chicken  
God bless that chicken  
I want chicken
