

Next Big Thing

KMFDM

nest of vipers, den of thieves
thugs and banksters, pimping seas
crooks and liars, whores of greed
always looking for the next big thing

keep away from the fire unless you want to ignite
rise out of darkness into the light

fast and simple, lean and mean
ultra heavy strict machine
no surrender, no retreat
let us give you what you need
ultra dirty filthy clean
makes you harder, gives you speed
show no mercy, have no fear
the ultra heavy beat is here

mutinous bastards on a treacherous sea
popes and pastors full of lurid deeds
whores and harlots stilling at seed
pigs and fascists the next big thing

keep away from the fire unless you want to ignite
rise out of darkness into the light

fast and simple, lean and mean
ultra heavy strict machine
no surrender, no retreat
let us give you what you need
ultra dirty filthy clean
makes you harder, gives you speed
show no mercy, have no fear
the ultra heavy beat is here

crooks and liars, the whores of greed
always looking for the next big thing
thugs and banksters, pimping seas
always looking for the next big thing
mutinous bastards on a treacherous sea
always looking for the next big thing
you wretched masses and the shit you believe
always looking for the next big thing

keep away from the fire unless you want to ignite
rise out of darkness into the light

yee haw!

fast and simple, lean and mean
ultra heavy strict machine
no surrender, no retreat
let us give you what you need
ultra dirty filthy clean
makes you harder, gives you speed
show no mercy, have no fear
the ultra heavy beat is here
