

Ask no questions, hear no lies  
There's no smoke, without a fire  
Fortune always favors the bold  
First deserve, then desire  
All the glitters is not gold

Desperate diseases, desperate cures  
An eye for an eye, a tooth for a tooth  
All things will pass  
After us the deluge  
We shall not last  
The die is cast

The fairest flower, soonest fades  
The darkest hour's just before the dawn  
A friend to all is a friend to none  
You never know what you've got  
You never know, until its gone

Ex nihilo  
Alea iacta est  
Audeamus  
Res ispa loquitur  
Non omnis moriar

Tohuwabohu
