Knife Party

Come now, surely we can be friends
I know so much about you
I love you
Look at everything I've done for you
You'd be nothing without me

Why don't you answer me?
I bet you're busy talking to some fucking slut
Fucking skank...
Is she hotter than me?
Would you fuck me?
Are you gay?

You blocked me on Facebook
And now you're going to get fucked up

Now you're going to die

You blocked me on Facebook

And now you're going to die

Now you're going to die
Now you're going to die
