(Greedy Money)

Ayy, I don't even, like, like  
I don't even be on all that double cup shit no more (Dubba-AA flexin')  
I'm too rich for that

(This is the sound)

Used to two cup, then I roll up, bust a blunt, I stuff 'em both  
I don't do cups, I'm a millionaire, no double cups no more  
Plus my girls ain't stuck up now, I get like any out a ho  
I remember I ain't have shit, now I got eeny-miny-moe  
I want eeny-miny-moe  
Either Porsche, either or  
He's a whore, the guy's a girl  
Here's your whore, mine and yours  
Money pilin' off the floor  
Diamonds galore, I'll be yours  
I could find a wife right now, just pick a bride and I'll be yours

My lil' bitch from Carol City, popping fraud, that's how I get it  
Don't pour codeine in my soda, get it raw, that's nothin' silly
