

# This Forever

Kodak Black

Glee, gleeful  
Yeah, like a nigga water whip  
Glee

Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever  
Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever

You know me, bih, I'm Lil Kodak, get a nigga sniped  
I will never stop thuggin', I'm like this for life  
I be gettin' to the cheese, but I don't fuck with mice  
Nigga rattin' on the team, hope them niggas die  
When that four pound rock, I make the block shake  
Glock like alarm clock, I make the block wake  
I still can't believe Twin told on Jack  
But I fuck with but Michelan', but his brother rat  
I ain't go to class, stackin' paper like it's loose leaf  
I've been totin' straps, ugly corner too creep  
All love fake, what you think the name mean?  
I'm layin' on you like a snake, bitch I'm A-Team

Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever  
Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever

They wanna see the day I turn a rapper nigga  
Let this money make me soft so I they can bash a nigga  
Like a nigga water whip, I'm comin' back hard  
With the same vibe when I used to jack cars  
How I boot up on these niggas, ain't got no remorse  
I'm droppin' knowledge on you young niggas, no charge  
And a nigga still thuggin' with this Prada on  
Hundred thousand dollar watch, you know what time I'm on  
I be lookin' in the mirror, I'm a fuckin' G  
I done came from the street, this how I wanna be  
My street cred' on fleek and I'm still intact  
This how I am, this how I was, this how I'm finna act

Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever  
Like a nigga water whip, I'ma get it crackin'  
Cut from a different cloth, I'm a different fabric  
They wanna see the day that I go polyester  
I ain't never stop thuggin', I'm like this forever
