

## After The Fall

Kodaline

People keep talking  
But I can't hear a word they say.  
Life just keeps moving.  
The world gets stranger every day.

And, yeah, "Time is on your side" -  
That's what people tell you  
But I got to let you go.

My head is saying that this is for the better.  
I just want you to know -  
I can't hold on forever  
When all I wanna do is let go,  
All I wanna do is let go.

Sirens are screaming  
But I can't hear a single sound.  
And I'm feeling uneasy,  
And I wait, and I wait for a change to come around

I get the feeling that this is for the better.  
And I just want you to know -  
I can't hold on forever  
When all I wanna do is let go.  
Ooh, ooh, yeah.  
All I wanna do is let go  
Ooh, ooh.

Are you searching for an answer  
Or just peace of mind?  
When your life has lost its meaning,  
Maybe you need a little time.
