

# Perfect World

Kodamine

Touch gloves, yeah, it'll be alright  
I always knew you had a heavy heart  
Brother, brother  
You're taking me back to the start

I saw your face in a photograph  
Painting a picture of a better time  
Brother, brother  
You'll always be on my mind

Yeah  
In a perfect world  
In a perfect world  
In a perfect, a perfect world

Touchdown to reality  
It's not exactly what you had in mind, oh  
Brother, brother  
Was it only a matter of time

Yeah, oh  
Maybe you've gotta let it be  
Maybe time will tell, maybe you will see, oh  
Brother, brother  
You really shouldn't take it too hard

Oh

In a perfect world  
In a perfect world  
In a perfect world, singing

Ooooooooooh

In a perfect world  
In a perfect world  
In a perfect, a perfect world

Ooooooooooooooh

In a perfect world  
In a perfect world  
In a perfect world, singing

Ooooooooooh

It'll be okay (In a perfect world)  
It wouldn't have to be this way (In a perfect world)  
In a perfect, a perfect world
