

At First Sight

Kolohe Kai

I just seen you today you were so beautiful
and then you came away I fell so wonderful
but now you probably need some how
feeling still with in my heart
I'm calling out to you

Girl I, gonna know your name
your a dream come true girl
I, hope you feel the same I fell inlove with you
I fell inlove with you

Now girl where are you going
your leaving without me even knowing
who you are girl you more beautiful
deep from a far
I know that you may skip this last
so i promise that I'll give you all
I've got and I prove to truly inlove
with you just give me one shot,
Oh one shot

Wanna listen to the rhythm
and the rhythm to the beat (boom boom boom)
well come on pretty girl

showing my love only for you (for you)
