

# Breathe

Kolohe Kai

I got a feeling  
That I never really had before  
No no no no no, yeah  
And I got a feeling, yeah  
That I won't walk out the door  
No no no no no, yeah, yeah

I don't wanna go nowhere right now  
I'll just sit here with you, yeah  
And everything just feels so nice right now  
Thanks for being so true, true yeah yeah

I'll never ever be too good to feel lighter  
Everything about you brings me to life  
All of your love just makes me feel higher  
And this is just a glimpse of paradise, yeah

And I just breathe, oh yeah, oh yeah  
I just breathe, oh yeah, oh yeah

I got a feeling  
That I never really had before  
No no no no no, yeah  
And I got a feeling, yeah  
That I won't walk out the door  
No no no no no  
I'll never give up, never give up, yeah

I don't wanna go nowhere right now  
I'll just sit here with you, yeah  
And everything just feels so nice right now  
Thanks for being so true, true yeah yeah

I'll never ever be too good to feel lighter  
Everything about you brings me to life  
All of your love just makes me feel higher  
And this is just a glimpse of paradise, yeah

And I just breathe, oh yeah, oh yeah  
I just breathe, oh yeah, oh yeah

No no no no no, yeah yeah  
Yeah

Never ever be too good to feel lighter  
Everything about you brings me to life  
All of your love just makes me feel higher  
And this is just a glimpse of paradise, yeah

And I just breathe, oh yeah, oh yeah  
I just breathe, oh yeah, oh yeah  
I breathe
