

Speechless

Kolohe Kai

You say you'll be down in five
The smell of your perfume is floating down the stairs
You're fixing up your hair like you do
I know that I'll be a mess
The second that I see you
You won't be surprised
It happens every time
It's nothin' new

It's always on a night like tonight
I thank God you can read my mind
'Cause when you look at me with those eyes

I'm speechless
Starin' at you standin' there in that dress
What it's doin' to me ain't a secret
'Cause watching you is all that I can do
I'm speechless
You already know that you're my weakness
After all this time I'm just as nervous
Every time you walk into the room
I'm speechless

It started when you said hello
You just did something to me
And I've been in a daze
Ever since the day that we met
You take the breath out of my lungs

Can't even fight it
And all of the words, out of my mouth without even tryin'

And I'm speechless
Starin' at you standin' there in that dress
What it's doin' to me ain't a secret
'Cause watching you is all that I can do
And I'm speechless
You already know that you're my weakness
After all this time I'm just as nervous
Every time you walk into the room
I'm speechless

It's always on a night like tonight
I thank God you can read my mind
'Cause when you look at me with those eyes

I'm speechless
You standin' there in that dress
Girl, it ain't a secret
'Cause watchin' you is all that I can do
Oh, I'm speechless
You already know that you're my weakness
After all this time I'm just as nervous
Every time you walk into the room
I'm speechless

Yeah, mmm

Mmm

I'm speechless
