

# Will You Be Mine

Kolohe Kai

Stop, take a listen  
She's all I'm missin'  
There's no exaggeration here  
She wears her heart  
Right on top her sleeve  
And I know she needs  
A man like me, yeah

Did you know her smile can melt the rain, ah  
'Cause it does evaporate my pain, ah  
And you know she hugs just like the waves  
And I'm vibin' it every day

Do you smell the flowers when they bloom  
Do you see the sunshine when she's in the room  
Do you feel the power within her clutch  
Does she know just how much I love her

Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl  
Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl

From Sunday to Monday  
I can't last through one day  
Without my honey, no no no  
It's not funny  
Rock, rock  
My heart turns to rock  
When you're not around me  
Yes my life goes into shock  
Somehow

Could you be the one that melts my heart, ah  
Every time our eyes meet I see sparks, fly  
And you know she hugs just like the waves  
And I'm vibin' it every day

Do you smell the flowers when they bloom  
Do you see the sunshine when she's in the room  
Do you feel the power within her clutch  
Does she know just how much I love her

Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl  
Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl

Every minute of the day

Every time I'm awake  
You know I just, I miss you baby  
Can you feel it in the air tonight  
Ooh can you feel it in the air tonight, ooh  
Girl you know you got the vibe  
I feel it in stride  
And I wanna be with you babe  
Will you be my life  
Will you be my wife  
Will you be the one, my bride oh yeah

Did you know your smile can melt the rain  
'Cause it does evaporate my pain  
And you know she hugs just like the waves  
And I'm vibin' it every day

Do you smell the flowers when they bloom  
Do you see the sunshine when she's in the room  
Do you feel the power within her clutch  
Does she know just how much I love her

Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl  
Will you be mine  
(Will you be mine, will you be mine)  
Will you be mine  
(Will you be mine) girl
