

I Like Music

Kool & The Gang

I like music, funky music
Music, I like music

Music

I like the sound of music
(Shoo-do-do down)
'Cause music really turns me on
(Shoo-be-do-do on down)
And when I'm dancin' with you, yeah
I really like to get it down
Let's get it on, y'all, get it on!

Music
Music

I like the sounds of music, y'all
(Shoo-do-do down)
'Cause music really turns me on, yeah, yeah
(Shoo-be-do-do on down)
And when I'm dancin' with you, baby
I slide across the floor
And I get down some more
Get it on, yeah!

I like music, funky music, music

Dancin', dancin' with you, you
Dancin' when I'm out on the floor
I slide and I glide
And I get down some more
Get it on, yeah!
