

# Made For Love

Kool & The Gang

I thank the Lord that I've got you  
Girl, you know you've always been the strength of me  
Got my back when I'm down  
Keep my head off the ground

Never messed around, didn't never change  
Kept my love when I was going through some things  
Now the years have gone by and I'm sure  
'Coz you're still right here, now I know

I was made for love  
You were made for me  
We were made for us  
You're the only one I need

'Coz I was made to love you  
You were made for me  
We were made for us  
I'm the only one you need 'coz I need you

Can I take time out to express myself?  
I don't wanna be with no one else, no  
Does it matter what you cannot do?  
'Coz if I got it, girl, you know you got it too

You can rest assure, you got my support  
If you really hurting, lean on me, I'll lift you up  
It's whatchu done for me, is how I feel  
I would give my life and then [Incomprehensible]

I was made for love  
You were made for me  
We were made for us  
You're the only one I need

'Coz I was made to love you  
You were made for me  
We were made for us  
I'm the only one you need 'coz I need you

Listen baby, temptations come, temptations go  
You're the one I wanna know  
Baby, you're my thick and thin  
You're my now, baby, you're my then

You can rest assure 'bout us  
'Coz in that I trust  
That we'll be together  
Always so in love

When I'm away from you  
You're still right there with me  
Always in my heart  
Girl, you're one with me

Play with your love  
I'm only playing myself

We were meant for each other  
Girl, there's no one else

I was made for love  
You were made for me  
We were made for us  
You're the only one I need

'Coz I was made to love you  
You were made for me  
We were made for us  
I'm the only one you need

'Coz I was made for love  
You were made for me  
We were made for us
