

This Is What a Love Can Do

Kool & The Gang

Whoo-hoo...

Tell you what a love can do

Shoo-be-doo-be-doo-doo-doo

Yeah, yeah

Late at night I'm in my room

I can feel your body, oh, and your perfume

It fills the air with sweet smelling promises

Of loving, loving, oh...

I hold my pillow tight

I try to make it through the night

If I can't be with you

I wanna dream about you, baby, yeah

This is what a love can do

Shoo-be-doo-be-doo-be-you

The possibilities are endless

This is what a love can do

It can do it to you

The possibilities are endless

When I think about you, I can't help but see

Somebody who's just right for me

I know, I know that you're feeling the same way too

The way I feel about you

I hold my pillow tight

I try to make it through the night

If I can't be with you

I wanna dream about you, baby, yeah

This is what a love can do

Shoo-be-doo-be-doo-be-you, yeah

The possibilities are endless

This is what a love can do

It can do it to you

The possibilities are endless, yeah

All my life

I've been holding back

The love inside my heart

I didn't know where to start

Feel so lost

And it feels so good

Just let my feelings show

I want everyone to know, yeah, yeah

I hold my pillow tight

I try to make it through the night

If I can't be with you

I wanna dream about you, baby, yeah

This is what a love can do

Shoo-be-doo-be-doo-be-you

The possibilities are endless
This is what a love can do
It can do it to you
The possibilities are endless, yeah

This is what a love can do
Shoo-be-doo-be-doo-be-you, yeah
The possibilities are endless, endless
This is what a love can do
It can do it to you
The possibilities are endless, yeah...
