Are you ready?!

This place inside my mind, a place I like to hide You don't know the chances. What if I should die?! A place inside my brain, another kind of pain You don't know the chances. I'm so blind!

Another place I find to escape the pain inside You don't know the chances. What if I should die?! A place inside my brain, another kind of pain You don't know the chances. I'm so blind!

Deeper!.. Deeper inside me!

To live a life that seems to be a lost reality

That can never find a way to reach.

My inner self

I stand alone!

How deep can I go in the ground that I lay?

If I don't find a way to see through the gray that clouds my mind.

This time I look to see what's between the lines!

I can see, I can see, I'm going blind... [12x] I'm blind [4x]
