

Finally Free

Korn

It's hard to see what you will find
When your heart's dipped in agony
I tried too hard, I was too kind
I saw your face in everything

(I'm hating it) It's coming for me
(I'm hating it) It's laughing at me
(I'm hating it) It's time to realize what is really going down
(I'm hating it) It's staring at me
(I'm hating it) It's pulling on me
(I'm hating it) I can't believe it
Take it down, take it down now

Where are you now?
I tried to get through to you, nothing is saving you
How could I fail?
This life betrayed you and you are finally free

What you see is what you get
I had no time to process it
I think if I just turn around
That this nightmare will come unbound, oh

(I'm hating it) It's coming for me
(I'm hating it) It's laughing at me
(I'm hating it) It's time to realize what is really going down
(I'm hating it) It's staring at me
(I'm hating it) It's pulling on me
(I'm hating it) I can't believe it
Take it down, take it down now

Where are you now?
I tried to get through to you, nothing is saving you
How could I fail?
This life betrayed you and you are finally free

You're crying out for me (Don't let it take you down)
You're crying out for me (Don't let it take you down)
It's so hard to see (Don't let it take you down)
It's so hard to see

It's so hard to see
It's so hard to see
You're crying out for me
You're crying out for me

Where are you now?
I tried to get through to you, nothing is saving you
How could I fail?
This life betrayed you and you are finally free

That you're finally free
That you're finally free
That you're finally free
That you're finally free

It's so hard to see

It's so hard to see
You're crying out for me
You're crying out for me
