Good God

Korn

You came into my life without a single thing
I gave into your ways, but you left me with nothing
I've given into smiles, I've dealt with all your games
I wish you're happy now, I had to let you win

Why don't you get the fuck out of my face, now!!
Why don't you get the fuck out of my face, now!!

In the sea of life, you're just a minnow
You live your life insecure
I feel the pain of your needles
As they shit into my brain

I scream without a sound
How could you take away everything that I was?
made me your fuckin slave
Your face that I despise
Your heart inside that's gray
I came today to say, you're fucked in every way

[Chorus]

In the sea of life, you're just a minnow
You live your life insecure
I feel the pain of your needles
As they shit into my mind
You stole my life without a sigh
You sucked me dry

[Chorus]
